Reviews

“Took a course with Mrs. Sharen Rooks and I must say everything that she said has been a big plus with growing my business. In one of our meetings she discussed how important it is to be in the right location. And at that time I was so afraid to move out of where I was . I took a leap up faith and moved locations and in 6 months my numbers jumped to 162 % over what we brought in last year. Success doesn't happen by luck it comes from hard work and being open to change.” Anya D., Salon Owner TOP, TN
